

The Cedar Creek Lake Area Chamber of Commerce is a private 501(c)6 non-profit organization that is volunteer driven and funded by dues and volunteer fund-raising. The fund-raising events are designed to provide entertainment and value to the community and most are dependent upon underwriting sponsorships for success. It's through the generous support of our members and others in the community of our annual events and advertising opportunities that we can continue to provide services and support to business, schools, civic and other non-profit organizations. Contact the chamber office to see how you can get involved. Volunteer, contribute, support your chamber of commerce.
